1.Summary

Scope: research implementation framework study trade theory practice engineering study time table assessment allocation implementation framework regulatory in government. City power and Eskom training center development infrastructure support training train training experimental student case study. Time table allocation research integrity subject outcome more. Department education Dhet ,DBE and council trade assessment integrate

1.2.Abstract: knowledge student case study engineering design analysis investigation field: tendered time table trade ask factor in company overview in city power ,research experimental trade theory research training knowledge city power municipality: job Gauteng city approved I in power electrique metering house home basic,

Join venture government development Eskom commission entrepreneurs.

Labor health inspector electrique compliance merest manufacture.

Saps electrique engineering supply.sand mil development system defense environment STD physical compagny security close tendered required safety security electrique factor

Experience

February 2021 - Current

engineering electrical city power / st peace college | jhb

- engineering electrical assessment portfolio evidence innovation
- Provided hands-on technical support, concisely translating complex technical ideas to multiple levels of personnel.
- Kept project leaders regularly updated with progress, maintaining open, productive communication.
- Conferred with engineers and customers to discuss existing and potential engineering projects and products.
- Designed, implemented and improved electrical facilities and systems for commercial and industrial purposes.
- Oversaw project construction efforts to assure completion within time and budget.

- Investigated customer concerns and complaints to resolve issues and recommend remedial measures.
- Supervised and trained project team members to guarantee high-quality installations.
- Managed system analysis to maintain safe and reliable electrical transmission, substations and distribution lines.
- Evaluated condition and operation of existing and building systems for carrying out maintenance and repairs.
- Operated computer-assisted engineering and design software to perform tasks.
- Collaborated with engineers and technicians to design and implement new system processes.
- Reviewed design drawings and specifications for newly engineered components to meet customer requirements.
- Initiated purchase orders for materials and components of transmission and distribution system to maintain adequate stock.
- Attended trade shows to provide technical application knowledge.
- Studied maps and conducted field surveys to correct power system problems.
- Reviewed blueprints of commercial buildings to determine size of electrical service and transformers.
- Coordinated and steered electrical installation projects to maximise plant productivity and operations.
- Designed, planned and produced drawings and estimates for complex metering installations.
- Developed and implemented manufacturing processes to comply with global engineering codes and standards.
- Prepared technical drawings and specifications of electrical systems to guarantee conformation to standards and customer requirements.
- Adhered to strict safety rules and regulations during installation of lights, power plugs and smoke detectors in large buildings.

Education

2023

Diploma of Higher Education | engineering

st peace college , jhb

- Member of [st peace college] Union
- [Degree] award certificate diploma saqa Graduate
- Coursework in [engineering electrical]
- Dissertation in [engineering]
- [institu saqa] Academic Achievement Award

Dear Sir/Madam,

administrator training and resource humane

Sincerely, for my requested career outcome in academical 2 years training and examination theory and practical for subject curriculum assessment need t more practice in your company ,Courses engineering electrical Work Experience Title/Position city power training /st peace college training 02/2023 - Present , rsa engineering electrical visited work place training experimental Achievements/Tasks award degree diploma saqa/ award panel wiring electrical that my requested for completed experience in your departement and compagny solicite that job for visited site experimental technology and science engineering experimental thank u for your complement and gratituid
Tshingombe Tshitadi.

CITY POWER
APPLICATION FORM FOR
TRADE ASSISTANT

a world class African city

APPLICATION FORM FOR TRADE ASSISTANT

- ✓ Kindly note that applications are only open to South African citizens;
- ✓ The purpose of this form is to assist City Power in selecting suitable candidates;
- ✓ This form must be submitted in full, accurately and legibly. All substantial information relevant to a candidate must be provided in this form;
- ✓ All information received will be treated with strict confidentiality and will not be used for any other purpose than to assess the suitability of the applicant; and
- ✓ Correspondence regarding the applications will be to the successful applicants only.

A. PERSONAL DETAILS

| | | | |
|-------------|---------------------------|--|--|
| Surname | TSHINGONBE - TSHITAJI | | |
| First Names | TSHITAJI MAKANGU - TUTONI | | |
| Age | 39 YEARS | | |
| ID Number | TIR00000910810 | | |

| | | | | |
|--------|---|---------|--------|--|
| Race | African <input checked="" type="checkbox"/> | Colored | Indian | White |
| Gender | | | Female | Male <input checked="" type="checkbox"/> |

| | | |
|---------------------------|-----|--|
| Do you have a disability? | Yes | No <input checked="" type="checkbox"/> |
|---------------------------|-----|--|

If yes, elaborate

| | | |
|----------------------------------|---|----|
| Are you a South African citizen? | Yes <input checked="" type="checkbox"/> | No |
|----------------------------------|---|----|

| | | |
|--------------------------------|-----|--|
| Do you have a criminal record? | Yes | No <input checked="" type="checkbox"/> |
|--------------------------------|-----|--|

If yes, elaborate

B. CONTACT DETAILS

| | |
|---|---|
| Email address | YHNGOMPE1983GMAIL.COM |
| Mobile Number | 0115299946 |
| Physical Address | 103 Not Grey Street, Parkview, Yeoville, Johannesburg |
| Which Metropolitan Municipality do you reside in? | |

C. QUALIFICATIONS

Kindly tick the box that represents your NQF level

| | |
|--------------------------------|-------------------------------------|
| NQF 3 - H2 / Grade 11 | <input checked="" type="checkbox"/> |
| NQF 2 - H1 / Grade 10 | <input checked="" type="checkbox"/> |
| NQF 1 - Grade 9 / ABET Level 4 | <input type="checkbox"/> |

HIGHEST GRADE PASSED

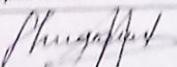

| Name of School | Province | Highest Grade Passed | Year Obtained |
|----------------|----------|----------------------|---------------|
| JET HOME/CGA | KINSHASA | NECROPA | ✓ 2001 |

OTHER QUALIFICATIONS OBTAINED

| Name of institution | Name of Qualification | Qualification Type (e.g. Certificate,etc.) | Year Obtained |
|---------------------|-----------------------|--|---------------|
| JET COLLEGE | PART WORKING DIP | Award CERTIFICATE | 2020 |
| JET COLLEGE | ENGINEERING DIP | Award CERTIFICATE | 2022 |

D. DECLARATION

I hereby declare that all the information provided in this application and any attachments in support thereof is to the best of my knowledge true and correct. I understand that any misrepresentation or failure to disclose any information may lead to my disqualification or termination of my employment contract, if appointed.

Signature:  Date: 24/04/2023

NB: Successful candidates will be expected to:

- o Wear Full PPE
- o Carry out Manual labour
- o Comfortable with heights
- o Work in confined space
